

Spa License Program Press Release

Dhart Development Corp. announces new Spa License Program. This new program is made possible by our new ProDiagnose™ technology allows existing spas or medspa technicians to deliver CoolToes™ Technology by putting an expert “on their shoulder.”

The new franchise form allows licensed spa technicians to have clients evaluated by an expert from afar utilizing our patent pending technology. Now an expert can evaluate cosmetic nail issues in real time adding years of experience to the new practitioners toolbox and building delivery confidence and improving overall outcome.

The new franchise model includes training, advertising and the medicines and tools necessary to get started. This franchise also includes the basic ProDiagnose™ tools to assist in client treatment decision making.

The CoolToes™ Spa franchise fee is \$8500 plus annual renewal fee. For more information write info@cooltoes.com, phone 1(800) 625-7010 or visit www.cooltoes.com

CoolToes™ addresses the cosmetic issues associated with common nail disorders such as thickened, crumbling, odorous, delaminated or detached nails.

Dhart Development Corp has turned the nail nail industry on its head with dozens of breakthrough innovations that dramatically change results and expectations.
